## **A7 Exhibition Catalogue**

The Organiser will issue an official catalogue for the exhibition, containing the following information ( see also Article A23 concerning "Data Protection" ) :

- Location of offices, services, facilities
- Layout of halls according to types of machines and hall plans
- Index of Products
- List of products by exhibitor
- Alphabetical list of exhibitors ( by abbreviated name ) arranged according to their products. Entries in the catalogue will be based on the details provided by the exhibitor on the form "Application for Admission and Rental Contract for Space" . In addition to the full name of the company, exhibitors are asked to provide an abbreviated form, preferably a single word, for the alphabetical entry in the catalogue ( e. g. Thomas Jones Machinery Ltd. = JONES ). Companies applying under "Group Application" should avoid using the same abbreviated name.

CEMATEX and Consortium will also produce an exhibitor directory in English and Chinese ( see also Article A23 concerning "Data Protection" ) containing all the above information. Exhibitors will receive a basic entry in the catalogue ( Article A11, point 15 ) ; however exhibitors will have the opportunity to enhance their entry with advertising in the catalogue.

## **A8 Admission, Invalidity of Admission, Premature Termination of the Rental Contract**

**A8. 1** CEMATEX and Consortium will jointly decide whether or not an applicant is admitted to ITMA ASIA + CITME 2016.

**A8. 2** CEMATEX and Consortium will jointly inform all applicants in writing by 16 May 2016 whether they are admitted to ITMA ASIA + CITME 2016.

In case an applicant is not admitted, he will be informed accordingly by registered letter, stating the reasons.

**A8. 3** No assignment of the admission rights to third parties is permitted.

**A8. 4** In case of an infringement of A5 of the "General Regulations" the admission given to an applicant will be withdrawn by CEMATEX and Consortium. This also refers to cases in which the admission prerequisite has never existed or no longer exists. CEMATEX and Consortium will jointly inform such an exhibitor accordingly, by registered or hand – delivered letter onsite, stating the reasons for withdrawal. In such a case, the "Rental Contract" between the exhibitor and the Organiser is also considered simultaneously terminated with immediate effect.

If such an infringement occurs during stand set up or opening hours of the exhibition, a warning will be issued to the exhibitor by CEMATEX and Consortium ( in writing by hand – delivered letter ), jointly requesting that the necessary steps be

taken in order to comply with the regulations. If, after having received a second warning ( in writing by hand – delivered letter ) , the exhibitor shall continue to contravene the rules, the Organiser will cut the power to the stand and will close it down should CEMATEX and Consortium jointly withdraw admission to such exhibitor.

**A8. 5** If the applicant or exhibitor does not accept the decision of CEMATEX and Consortium concerning non –admission or withdrawal, he must appeal to CEMATEX and Consortium by registered letter within 14 days of receiving notification of the decision, stating the reasons for non –acceptance. Should the applicant or exhibitor fail to respond, then it will be assumed that the applicant or exhibitor accepts the decision.

**A8. 6** The "Rental Contract" between the Organiser and the exhibitor will be deemed as concluded when allocation of the stand space is advised by the Organiser to the exhibitor pursuant to the terms of Article A15 below.

The "Rental Contract" between the Organiser and the exhibitor will be terminated with immediate effect, and the admission will be considered as withdrawn simultaneously by the Organiser by registered or hand – delivered letter onsite, stating the reasons for termination and withdrawal if the exhibitor fails to fulfil any of his obligations arising from Article A19 ( "Protection of Trade Mark and Intellectual Property Rights" ) , the "Rental Contract", "Technical Regulations" or other provisions issued by the Organiser, including payment terms. No refund will be made for the sums already paid. Invoices issued before the date on which the "Rental Contract" is terminated by The Organiser shall, notwithstanding such termination, be paid in full and penalties for late payments are also due as stipulated under Article A12. 2.

**A8. 7** CEMATEX and Consortium reserve the right to refuse an exhibitor admission to future ITMA, ITMA ASIA and CITME branded events if the said exhibitor infringes any regulations of ITMA ASIA + CITME 2016.

### **A9 Stand Rental**

The basic stand rental charge for the ground floor for stands open only on one side is US Dollars 340 per square metre.

The length of any dimension of the stand applied for must be an integer. No fractions of a metre will be permitted.

The following additional charges will apply to stands of all sizes with more than one open side :

Space in square metres	Open sides		
	2	3	4
First 50 square metres	+20%	+33%	+50%
Next 50 square metres	+10%	+16.5%	+25%
Surface over 100 square metres	0%	0%	0%

Surcharges for open sides are only charged on the first 100 square metres of every stand, and there are no surcharges imposed on additional space taken on the same stand. Open side surcharges will be based on the number of sides allocated to the exhibitor by the Organiser.

#### **Example**

Balance 150 square metres x US Dollars 340/sqm = US Dollars 51,000

Total amount due: **US Dollars 97,750**

The minimum stand area is 15 square metres, except for products pertaining to chapters 16.1 and 17 of the "Index of Products" where the minimum stand area is 9 square metres.

### **A10 Double Storey Stands**

This second storey space will be invoiced at 50% of the basic rental charge (i.e. US Dollars 170 per square metre or part thereof). The charge for any fraction of a square metre will be charged as for a full square metre. The ground floor space underneath will be invoiced at the standard US Dollars 340 per square metre or part thereof. **A12 Payments, Penalties and Refunds relating to Stand Rental Payments**

**A12. 1** A first payment of 20% of the stand rental charge ( i. e. US Dollars 68 per square metre of stand space applied for) must be remitted at the same time as the submission of the "Application for Admission and Rental Contract for Space" . No "Application for Admission and Rental Contract for Space" will be confirmed or processed until the first 20% deposit payment has been paid. The date the deposit is sent, with proof of a bank transfer statement, will be deemed the date on which the form "Application for Admission and Rental Contract for Space" is received.

If no proof of bank transfer statement is received by the Organiser, then the date the payment is cleared in the bank of The Organiser will be treated as the date on which the "Application for Admission and Rental Contract for Space" is received.

This first payment will be refunded if the applicant is not admitted to the exhibition ( see Article A8. 1 and A8. 2 above ), but will be forfeited if, unilaterally, the applicant withdraws totally from the undertaking ( for partial withdrawals, see Articles A12. 4, A12. 5, A12. 6 below ), or if the "Rental Contract" is terminated prematurely ( see A8. 4 and A8. 6 above and A12. 2, A12. 8, A16 and A19 below ).

**A12. 2** If the exhibitor fails to pay by the stipulated date, the failing exhibitor will be penalised from the day on which payment was due. The rate of penalty will be 1% per month. This and the following provisions ( A12. 3, A12. 4, A12. 5, A12. 6 ) apply to all payments ( stand rental payments, services, etc. ). The Organiser also has the right to remove the exhibitor from ITMA ASIA + CITME 2016 if payments are not made on time. The Organiser will send to the exhibitor a registered letter, indicating the reasons, which constitutes simultaneously a withdrawal of admission and termination of the "Rental Contract" by the Organiser.

**A12. 3** In case of total withdrawal by the exhibitor, no refund will be made of the sums already paid. All invoices issued before the date on which the exhibitor's official notification of withdrawal is received by the Organiser are to be paid in full, and penalties for late payments are also due as stipulated under A12. 2.

**A12. 4** In case of partial withdrawal ( reduction of space ) between 29 February 2016 and 16 May 2016, and if the reduction of space is less than 20% of the space applied for by the exhibitor, a refund of 100% in proportion to the withdrawn space, less any outward remittance bank charges that The Organiser incurs, will be made for the sums already paid. This refund will be credited towards later invoices. Later invoices will then only be accounted towards the space kept. However, invoices issued before the date on which the exhibitor's official notification of partial withdrawal ( reduction of space ) is received by the Organiser are to be paid in full and penalties for late payments are also due as stipulated under A12. 2.

**A12. 5** In case of partial withdrawal ( reduction of space ) between 29 February 2016 and 16 May 2016, and if the reduction of space is equal to or greater than 20% of the space applied for by the exhibitor, no refund will be made for the sums already paid. Later invoices will then only be accounted towards the space kept. However, invoices issued before the date on which the exhibitor's official notification of partial withdrawal ( reduction of space ) is received by the Organiser are to be

paid in full and penalties for late payments are also due as stipulated under A12. 2. Later invoices will then only be accounted towards the space kept.

**A12. 6** In case of partial withdrawal (reduction of space) after 16 May 2016, no refund will be made of the sums already paid. However, invoices issued before the date on which the exhibitor's official notification of partial withdrawal (reduction of space) is received by the Organiser are to be paid in full and penalties for late payments are also due as stipulated under A12. 2.

**A12. 7** Notwithstanding the regulations in Article A12. 1 above, the stand rental charge including double storey space, open side surcharges, penalties and other relevant charges as stated above must be paid in full before the exhibitor may access the halls.

**A12. 8** If stand rental balance (basic stand rental and open side surcharges) is not paid by 24 June 2016 the Organiser reserves the right to re –allocate the space to other exhibitors, and the initial deposit paid will be forfeited. The Organiser will send to the exhibitor a registered letter, indicating the reasons, which constitutes simultaneously a withdrawal of admission and termination of the "Rental Contract" by the Organiser.

**A12. 9** Stand rental including double storey charges and open side surcharges will be based on the final space allocated.

**A12. 10** The final invoice for the 80% balance of the stand rental plus the open side surcharges will be issued on 16 May 2016 for payment by 24 June 2016. The invoice for double storey stands will be issued on 8 August 2016 for immediate payment.

**A12. 11** If an exhibitor failed to pay the outstanding balance of invoices relating to its partial or total withdrawal at any past ITMA, ITMA ASIA or CITME event, the organiser may insist on 100% stand rental payment with the "Application for Admission and Rental Contract for Space" for this or future ITMA, ITMA ASIA or CITME branded events. In such cases, CEMATEX, Consortium and the Organiser also reserve the right to refuse the exhibitor admission to this or any future ITMA, ITMA ASIA and CITME branded events.

**A13. 3** Services which are subsequently changed after 8 July 2016 will be surcharged by 5%.

**A13. 4** Requests for special technical services on quotation must be received by 24 June 2016. The quotation will be issued by 8 July 2016. If the quotation is accepted by the exhibitor, full payment must be made by the exhibitor within 7 working days of the receipt of the invoice, supported with proof of a bank transfer statement. Late payments will be surcharged by 25%.

**A13. 5** Services which are cancelled before 9 September 2016 will be reimbursed at 50%. Services cancelled on and after 9 September 2016 will not be reimbursed. The exhibitor is still liable for the 50% cancellation charge if payment has not been received by 9 September 2016.

**A13. 6** If the exhibitor fails to pay by the stipulated date, the failing exhibitor will be penalised from the day on which payment was due. The rate of penalty will be 1% per month.

**A13. 7** Late orders, modifications or payments received after 8 July 2016 are subject to stock availability. The Organiser and the Technical Service Provider cannot be held responsible for any damage resulting from these measures.

## A15 Allocation of Stand Space

Allocation of stand space, which also constitutes the conclusion of the "Rental Contract" between the exhibitor and the Organiser ( see form "Application for Admission and Rental Contract for Space" ), will be advised by the Organiser in his capacity as lessor by 16 May 2016, and the exhibitor will receive details of the location and dimensions of the stand, including hall and stand number. The exhibitor will accept the stand space allocated to him even if the location and/or

dimensions and/or open sides and/or any presence of pillars or fire prevention facilities are different from those which the exhibitor has requested.

The Organiser reserves the right to change the stand location or its dimensions, if circumstances make this necessary, and no claim for damages can be made against the Organiser because of such change.

### **A16 Stand Set Up**

Stand construction will commence from 0900 hours on 14 October 2016. Construction must be completed by 1800 hours on 20 October 2016.

In the event that stand construction has not started by 1200 hours on 20 October 2016, and is deemed not to be able to be completed by 1800 hours on 20 October 2016, the Organiser reserves the right, after giving prior notice, to make other use of the stand space without any compensation to the exhibitor. The Organiser will submit a hand – delivered letter or registered letter to the exhibitor, stating the reasons, and such letter will constitute simultaneously a withdrawal of admission and termination of the "Rental Contract" . Such action will not relieve the defaulting exhibitor of his liability for the stand rental charge, services and installations provided.

To focus the visitors' attention primarily on the exhibits and to achieve the best possible overall effect, stands must be constructed in compliance with directions given in the "Technical Regulations" which are to be issued on 16 May 2016. If stand construction is deemed by The Organiser not to have complied with the "Technical Regulations", The Organiser reserves the right to withdraw the participation of the infringing exhibitor , or impose the penalty stated in the "Technical Regulations" .

### **A17 Stand Dismantling**

Stands may be dismantled only from 26 October 2016. Only hand-carried items ( accessories, computers, advertising documents etc) can be removed on 25 October 2016 between the period of 1800 hours and 1900 hours.

Stand dismantling must be completed by 1600 hours on 28 October 2016 at the latest. Any material still on the stands after that date will be removed and disposed of. All costs incurred for the above as well as the risks of theft, loss and damage will be borne by the exhibitor.

### **A18 Damage caused by Exhibitor to Structures and Installations**

After the exhibition has closed, the hall floor and walls must be restored to their original condition. The exhibitor will be liable for any damage to structures and installations placed at his disposal ( see "Care of the Halls" of "Technical Regulations" ).

### **A19 Protection of Trade Mark and Intellectual Property Rights**

CEMATEX and Consortium are the registered owners of the ITMA and CITME trademarks and domain names respectively and all exhibitors shall ensure they do not infringe and they do not authorise or permit any other party to infringe CEMATEX's and Consortium's trade mark rights and domain name rights in any way, in particular but not exclusively through their exhibits on display, their advertising materials, their graphics or indeed through any other medium.

All exhibitors must not infringe or otherwise violate or otherwise, directly or indirectly, seek to infringe and/or violate the intellectual property rights of other exhibitors and of third parties, such as patents, trademarks, copyrights etc. when displaying their products at ITMA ASIA + CITME 2016 in accordance with current provisions of law. All necessary measures shall be taken by the exhibitor before displaying his products. The Owners and Organisers are exempted from any liability in connection with the infringement or other violation of intellectual property rights by an exhibitor. The exhibitor shall indemnify and hold the Owners and Organisers harmless in case of any such infringement or other violation. As part of the Rental Contract, each exhibitor will be obliged to sign a legally –binding statement confirming that he will not infringe the trademarks, patents and other intellectual property rights of another exhibitor or third party.

The Organiser will establish an IPR Office on site in accordance with Chinese administrative regulations. The officials from local IPR administration in the Office will handle the complaints concerning patents and resolve the disputes. All relevant complaining procedures will be available on the website of ITMA ASIA + CITME 2016.

If it is ascertained by Chinese judicial authority or IPR administration authority that an exhibitor has infringed the intellectual property rights of another exhibitor or a third party in any way, in particular but not without limitation through his exhibits on display, his printed papers, his advertising materials, his graphics or indeed in any other way, then the Organiser will be entitled although not obliged, to, at its own discretion, ask for the removal of the infringing exhibits, printed papers, advertising material, graphics and any other material from the infringing exhibitor's stand until the end of the ITMA ASIA + CITME 2016. In such cases, the Organiser is also entitled, although not obliged, to terminate the "Rental Contract" between the Organiser and the infringing exhibitor and therefore also to withdraw the infringing exhibitor's admission by registered or hand-delivered letter stating the reasons for termination and withdrawal (see Article A8.6 above). No refund will be made for the sums already paid. If such measures prove unjustified, no claim for damages can be made against the Organiser unless it is guilty of gross negligence or unlawful intent.

CEMATEX and Consortium reserve the right to refuse an exhibitor admission to any future ITMA, ITMA ASIA and CITME branded events if the said exhibitor is found to have infringed the trade mark rights, domain name rights or other intellectual property rights of CEMATEX, Consortium, other exhibitors and third parties.

## **A20 Change or Cancellation of the Exhibition**

In cases of Force Majeure, the dates and place of ITMA ASIA + CITME 2016 may be changed or ITMA ASIA + CITME 2016 may even be cancelled by the Organiser in agreement with CEMATEX and Consortium. If the exhibition does not take place, the amounts paid by the exhibitors will be refunded, after deduction of costs incurred, in proportion to the amount paid by each exhibitor. No claims for compensation for damages, irrespective of nature or reason, can be lodged against the Organisers and/or CEMATEX and/or Consortium.

## **A21 Local Laws**

The Organiser will exercise the right to enforce local laws throughout the exhibition site and will be entitled to take the necessary measures in the case of non-observance of the various regulations.

The exhibitors are under obligation to comply with all local regulations, in particular of occupational hazards and health and safety at work concerning prevention of fire and/or other accidents or damages.

The provision of these "General Regulations" including its enclosures, in particular but not exclusively the "Technical Regulations", will prevail over all local regulations or stipulations, if permissible by law.

## **A22 Liability, Complaints**

Subject to unlawful intent or gross negligence, CEMATEX, Consortium and the Organisers are excluded from any liability for any kind of damage the exhibitor may incur directly or indirectly. Subject to unlawful intent or gross negligence, CEMATEX, Consortium and the Organisers exclude any liability for any kind of damage or loss the exhibitor may incur directly or indirectly by acts carried out by auxiliary persons of CEMATEX, Consortium and the Organisers. In particular, but without limitation, CEMATEX, Consortium and the Organisers are exempted from any liability in direct and/or indirect connection with the infringement or other violation of intellectual property rights by an exhibitor.

Subject to unlawful intent or gross negligence, the liability of the Organiser is limited to payments as covered by insurance set up in the "Technical Regulations" and its enclosures regarding insurance.

In any case, the Organisers shall in no circumstances have any liability for indirect losses, loss of profits, business revenue, goodwill or anticipated saving or consequential losses or damages, or for any loss of or damage to vehicles left on the exhibition grounds by the exhibitor, its employees or representatives.

For the sake of clarity, the venue, its legal representatives, servants or employees, and the venue's suppliers or subcontractors are deemed to be third parties alien to the Organisers.

The exhibitor must lodge any complaint against CEMATEX, Consortium and the Organisers immediately and in writing. Complaints concerning the transport of machinery, the construction of stands, and the infringement of various regulations by other exhibitors must be reported at the same time with a copy to the ITMA ASIA + CITME 2016 Operations Centre. For law-suits Article A24 is applicable.
